Dear Neighbor,

When Robert and Shelly Wingate received the news that their 3-year-old daughter Emily had Leukemia, they knew she would be facing many treatments and doctor's appointments. They looked to Newfound Area Nursing Association (NANA) for help.

"The services saved us transportation costs, time and money and decreased the number of visits to Dartmouth Hitchcock Medical Center," Shelly says. "Bob would have had to take the day off from work necessitating him to switch days with someone, work on his day off, or work a double shift."

Shelly describes NANA in two words, "You're great." She adds, "You have made a great impact in our lives. Emily loves to have Amanda come. Everyone is very caring and takes the time with her, asks if we have any questions and listens when we need to talk. Bob and I greatly appreciate the services. Emily has received exceptional care from NANA."

With our population growing older each year, individuals requiring care following surgery, and families facing serious illnesses, the demand for home health services continues to grow. With your support, NANA will continue our good work as your Home Health Agency serving the Newfound Area since 1960. Our mission has not changed. Over the past year we assisted families who had insufficient health insurance coverage or no coverage at all. We have provided clients in critical need with supplies not covered by their insurance. In short, we are helping your neighbors when they need it most.

Your generosity is the reason we have been able to meet these growing health care needs. Please join your friends, family and neighbors in achieving our annual fund goal of \$30,000 to support this vital community resource. A thoughtful gift of any size will go directly to helping those most in need of our services.

From all of us at NANA, thank you for your continued investment in our organization. It truly makes a difference and it is greatly appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Betty Seeler".

Elizabeth Seeler, President
Board of Directors

Note: On Friday, November 7, 2008 from 5 to 8 PM, a Spaghetti Supper will be held to benefit the Emily Wingate Leukemia Fund at the Masonic Lodge, Pleasant Street, Bristol, NH.
